

## Exhibitions & Sponsorship

An extensive exhibition of sound and vibration measurement instrumentation, equipment, and noise and vibration control technologies will be featured. All refreshment breaks, including morning and afternoon tea and coffee will be held within the exhibition area. Exhibitors will be able to book their stand space online. Floor plans and costs will be published on the ICSV25 website. There will be a wide range of sponsorship opportunities. More details will be available on the ICSV25 website.

## Registration

Registration will be available via the Congress website. The fees are given in JPY. The registration fee includes congress material, admission to all scientific sessions and exhibition area, coffee breaks, lunches, opening ceremony, welcome reception and closing ceremony. The student registration fee includes congress material, admission to all scientific sessions and exhibition area, coffee breaks, lunches and welcome reception. The accompanying person fee includes opening ceremony, welcome reception, closing ceremony and a half day tour of Hiroshima City.

## Sound of Peace Bell

## Welcome to ICSV25, Hiroshima

The International Institute of Acoustics and Vibration (IIAV) together with the Prefectural University of Hiroshima have the great pleasure to welcome scientists and engineers from all over the world to attend the 25th International Congress on Sound and Vibration (ICSV25) to be held in Hiroshima from 8-12 July 2018.

This congress is a leading event in the area of acoustics and vibration and provides an important opportunity for scientists and engineers to share their latest research results and exchange ideas on theories, technologies and applications in these fields. The congress will feature a broad range of high-level technical papers. Distinguished plenary lecturers will present recent developments in important topics of sound and vibration and include discussions about future trends. Hiroshima is an exciting, dynamic and welcoming destination. You can enjoy Hiroshima Kagura (Traditional Performance Arts) at the Gala Dinner on 11<sup>th</sup> July. Hiroshima is a city where delegates can enjoy Japanese traditional cultures, the beauty of nature, night-life, gastronomy, and shopping, and pray for the peace of the world. Hiroshima offers something to suit every delegate.

## Congress Venue & Accommodation

**The Grand Prince Hotel Hiroshima**, a resort hotel located just beside the Motoujina Park in Hiroshima Bay area and surrounded by Seto Inland Sea National Park, is the starting point of a fantastic cruise to Miyajima through the Seto Island Sea, allowing one to discover a new resort experience. Although the Grand Prince Hotel Hiroshima is highly recommended, a variety of other hotels with a broad range of prices are available in the close vicinity of the Congress Venue. Detailed information can be found on the congress website.

## Scientific Programme

The Subject Areas are listed below:

- T01 Acoustical Measurement and Instrumentation
- T02 Active Noise and Vibration Control
- T03 Aeroacoustics and Aviation Noise
- T04 Environmental Noise Mapping and Urban Soundscape
- T05 Physical Acoustics, Ultrasound and Wave Propagation
- T06 Industrial and Occupational Noise and Vibration
- T07 Machinery Noise and Vibration
- T08 Materials for Noise and Vibration Control
- T09 Psycho-, Physio-, and Bio-acoustics
- T10 Road and Rail Traffic Noise and Vibration
- T11 Room and Building Acoustics
- T12 Signal Processing and Simulation
- T13 Underwater and Maritime Noise
- T14 Acoustics Education

## Distinguished Plenary Lecturers

**Marion Burgess** *School of Engineering and Information Technology  
Building 17, UNSW Canberra campus*

**Seiji Nakagawa** *Center for Frontier Medical Engineering, Chiba  
University*

**Jun Yang** *Institute of Acoustics, Chinese Academy of Sciences  
(CAS) and the director of the Key Laboratory of Noise and Vibration  
Research of CAS*

**Robert G. Parker** *Department of Mechanical Engineering Virginia  
Tech.*

**Len Gelman** *School of Aerospace, Transport and Manufacturing,  
Building Whittle Building*

## Social Programme

The social programme, prepared for the enjoyment of both participants of ICSV25 and accompanying persons, includes the welcome reception, opening and closing ceremonies. They are covered by the delegate fee. At the special gala dinner, you will experience exciting Japanese traditional dance and music.
